LET'S GET STARTED:

Think about your past 3 opportunities. How did they come to you?
What three actions did you take in order for these opportunities to show up in your life?

- 1.
- 2.
- 3.

Do the three action steps you noted above have any commonality or similar patterns? Note them here:

How can you take what you noted above and amplify your action steps to harvest more opportunities to show up in your life?
Be specific.

ACTION PLAN : It's time to put all of the above into action. Here is your homework:

- Create time blocks in your calendar for the action steps you noted above.
- Commit to the time blocks and be persistent over the course of 30 days. Work at these action steps consistently.
- Share kind words to yourself and honor the times you take on a moment of uncomfortableness or step into areas of action that scare you a bit.
- Recognize that there is opportunity all around you. All you have to do is move forward with clarity and consistent action. You've got this!
